Portfolio: https://samwade240.github.io/

I would describe myself as a detail-oriented problem solver, who is looking for new ways to challenge myself and continue my learning in the computer science field

EDUCATION

AUGUST 2019 – PRESENT
BACHELOR'S IN COMPUTER SCIENCE, CHARLESTON SOUTHERN UNIVERSITY

   This Spring is my last full semester for my bachelor's degree. Currently I have finished all of the major computer science classes for the degree.

AUGUST 2017 – MAY 2019
BACHELOR'S IN COMPUTER SCIENCE, TEXAS STATE UNIVERSITY

   In my Freshman year at Texas State (2017) I was a Dean's List recipient for my academic achievements.
